

Taieri Dramatic Society – 2023 Season Application

The Taieri Dramatic Society are now accepting applications for their 2023 Season. If you've got a show you want to put on, we want to hear about it. As a community theatre, we cater to a broad range of audiences and experience levels. Whether you're a seasoned director or brand new to it, we'd love to hear from you.

As a theatre company, we aim to stage three productions a year with smaller projects in between. Previously this has included items such as workshops, sketch shows and play readings. This provides an opportunity for new writers looking to test their work to be able to receive audience feedback before mounting a full production of a play. If this is something you're interested in, there is a space here for you too.

Please complete this form and email it to firestationtheatre@gmail.com. If you have a digital copy of your suggested script, please send a copy of this as well with your completed form.

If you have any queries you can email us or give us a call on 027 589 3088.
